ENTRY METHOD: Please enter your athletes through www.timetoenter.com. Have your runners entered by **Monday, September 29th**.

ALL WVSSAC RULES ARE IN EFFECT

Sanctioning bodies have been applied for in Maryland, Pennsylvania, Virginia and West Virginia

COACHES INFORMATION

We are excited to introduce chip timing for the Buffalo Wild Wings Stampede, the first of its kind in West Virginia. Chip timing will be provided by Runners High. They have provided quick and accurate results for several races in surrounding states in our area. They have also timed Pennsylvania and Virginia State Championships, along with many NCAA Division I, II, & III Regional Championships. We are extremely excited to be the first to offer this technology.

MAKE SURE ALL RUNNERS ARE WEARING CHIPS. Chips are just like bib numbers. They identify the runners when they cross the mile and two mile splits, along with the finish line. If they don't have it on, they will not be scored. The chips will be inside the runners bib numbers. Coaches upon arrival please unload all buses in the unloading area behind the press box. Tent city will on the practice soccer field. Please instruct all bus drivers to park on the practice football field behind the tennis courts.

The coaches meeting will be in the Shackelford Center behind the finish line. The high school coaches meeting will begin at 9AM.

Please contact us if you have questions.
