

# 48th Annual Talley-Zimmerman Invitational Mid-Maryland Championship

Saturday April 26th 2008

Walkersville High School would like to invite you to the longest consecutively-running track meet in the state of Maryland. We are limiting this meet to the first 15 schools that respond with their entry fee. We run events that differ from other meets in the area including the 3000m and 1500m, in honor of influential track supporters, athletes, and coaches. We give out a huge number of awards to our participants! There will be great concessions, T-shirts, and programs available. Coaches meals provided!
