Andrea Gattens was a very friendly, intelligent and athletic young lady. At Westmar High School, she was a key player on the volleyball, basketball and softball teams. She continued participating in athletics in college and played volleyball for Allegany College. Even after her graduation from Fairmont State College, she was still an avid runner and participated in several races. Her life was cut short when she suffered from a brain aneurysm on December 22, 2005. Even with such a loss, 6 individuals were able to benefit because she was an organ donor.
